

EXHIBITION

July 22 – 23, 2016 | Institut für Architektur, TU Berlin

IfA Jahresausstellung 2016 Architektur mit Herzblut

The Institute for Architecture at TU Berlin is organizing the Annual Exhibition. Habitat Unit will take part in the exhibition presenting different architecture and urban design projects from last year studies.

Following projects will be presented:

- [Refugee City, Coproducing green communities in Berlin-Schöneberg and Jerash-Camp, Jordan](#)
- [Arrival City, Seeking interlacing forms of living together in Berlin-Buch](#)
- [Chinese Villages Revisited, Studio Rural +](#)
- [Simulizi Mijini / Urban Narratives, Reconfiguring Urban Heritage from Below in Moabit, Berlin and Dar es Salaam, Tanzania](#)
- [House of Commons, Die Laube im Prinzessinnengarten](#)
- [MOVE, Improving the situation of refugees – a student organised project](#)

We will be delighted to welcome you to the event!
