Curriculum Vitae

Anais Alfieri has started working as a student assistant at the Habitat Unit in October 2018. She is responsible of the communication and organization concerning the Dual Degree Master with Tongji University in Shanghai. Anais is enrolled in the master's program Urban Design since October 2017.

Anais completed her Bachelor studies in Urban Planning at the Hafencity University of Hamburg in 2016 with an exchange year in Architecture at ETSAV, Universitat Politècnica de Catalunya. Anais has gathered a lot of international experience by growing up in Greece, studying in Germany and Spain as well as pursuing internships and volunteering in Spain and Australia. Therefore, she is highly interested in issues concerning global urbanism.

In her Bachelor thesis she analyzed how the position of a refugee accommodation within the city can be decisive for the integration of its residents, through the example of Sophienterrasse in Hamburg.
