

FIRST

ASSIGNMENT.

Due:
Wed, Nov 11, 12pm

1. Research Idea

Think of a specific material (or research topic) you would be interested to work on in the seminar.

Write an outline of your research idea (400 words max.).

Try to suggest specific examples and sites – even if your actual research might put you on a different track later.

2. Visualization

Choose one image as a point of departure or illustration for your research idea.

3. Motivation Letter

Please provide 2-3 paragraphs on your background and specific interest to take the course.

If you'd like to be considered for the seminar, please submit:

1. Research idea outline (400 words max.)
2. One image (separate file)
3. Motivation letter (1 page max.)

by mail to

e.beyer@tu-berlin.de

l.elsner@tu-berlin.de

Please make sure to indicate clearly whether you would like to:

- participate in a group case study project researching a specific building material supply chain (6 ECTS)

or

- develop an individual term paper (3 ECTS)
