

# FIRST

# ASSIGNMENT.

**Due:**  
**Sun, October 24**

1.  
First idea for an entry in the archive of disappearing/disappeared queer spaces of Berlin.  
Give an example of a specific queer space or queered space in Berlin that is under threat or that no longer exists.

This should include the following:

- Title (e.g. name under which the space became known),
- Time when the place was active
- Reason why the space has disappeared or is disappearing (can be also speculative in case you don't find out)
- Description (max 200 words): Describe the space in words and speculate or research why the space no longer exists. Explain for which group(s) the space was/has been important and why. Include some description of the urban context that the space is/was embedded in.

2.  
Image or visualization of your chosen space.  
(in a separate file)

3.  
Motivation Letter.

Please provide 2-3 paragraphs on (a) your personal background and on (b) your specific interest to take this course. Please include your full name, Matrikel number, study path and TU email address as well as information on your German/English skills and on whether you want to opt for 3 ECTS or 6 ECTS.

If you'd like to be considered for the seminar, please submit:

1. First idea outline (200 words max.)
2. One image (separate file)
3. Motivation letter (1/2 A4 page max.)
