Habitat Unit

is looking for a student assistant

Habitat Unit is looking for a highly motivated student for the position of student assistant starting from October 2026, for a duration of 2 years.

Working Time
60hours/month

Job Description

- Assisting the teaching team of the Bachelor of Architecture program
- Supporting the module "Urban Design" (Städtebaulicher Entwurf)
- Creating teaching materials, layouts and publishing content

What we expect

- Structured working methods
- High proficiency in German and very high proficiency in English
- Skills in Adobe Creative Suite (InDesign, Illustrator, Photoshop) and Microsoft Office
- Interest in Habitat Unit teaching and research topics (e.g., global urbanization processes, participation, translocal spaces, migration)

Application

Apply with certificate of enrollment, motivation letter, CV and reference number VI-SB-0072-2026 until September 7, 2026 to habitat.unit@tu-berlin.de
